The Chairman Prof. Bachchan, along with the Vice Chairman, Prof. Binod Mishra welcomed all the members present in the meeting and sought everyone's views about the holding of 65th All India English Teachers Conference. Several other issues, like the association's registration, publication of IJES and update about the journal's inclusion in UGC CARE list were also raised in the meeting. The General Secretary's absence from the meeting was felt by everyone. The E.C expressed concern over the sad affairs of AESI's registration. Not much update about the status of the journal's progress for UGC CARE list could be made available because of the Editor's absence owing to his poor health.

After discussion with all the members, the following resolutions were taken:

1. The 65th AESI Conference be postponed because of the pandemic. The E.C members will explore venues for holding the next conference to be held in 2022.
2. The publication of the IJES be postponed and two volumes of the journal be published in 2022.
3. The General Secretary be urged to update and speed up the registration process of AESI, pending for several years.
4. The venue for Association's headquarters be decided at Nagpur, Agra, Lucknow or Patna. Priority for the venue be given to Nagpur.
